

LEX TALION - press quotes:

“These Argentinian guys have a deep sense of connection to the glorious movements of the northern warriors and the spiritual mysteries of the distant past”

- **DARK CITY Magazine (Russia)**

“A very interesting mix of influences and styles that should inspire globe-trotters and fans of the exotic”

- **METALHAMMER (Germany)**

“Lex Talion’s new EP was a nice surprise. The songs are powerful and I could see some cool influences in their work”

- **Folk Metal (Netherlands)**

“A work that takes a firm first step in what we hope will be a fruitful career that is just beginning. An album that folk fans will enjoy to a large extent, and a band that offers music for curious ears that like to approach metal made in Latin America”

- **Metal Spirit (Chile)**

“A brilliant debut that we hope will take the band far into the scene so they can continue to create more albums for us to enjoy!”

- **Folk Cave (Spain)**

“Aggressiveness, power and a masterful staging in these cultists of Viking Folk Metal!”

- **MagaZine (Argentina)**
